

KINLOCHBERVIE COMMUNITY DEVELOPMENT **PARTNERSHIP**

Minutes of meeting held in Harbour Conference Room 8.4.09 @ 7.00pm

Present – G Wild, B Pearson, A Owen, C MacKenzie, M Otter.

Apologies –D Woodroffe , J MacKay, P Cooper, G Sutherland, J Wood, J T Mann.

Minutes of last meeting – Proposed CM, seconded GW

Matters Arising :-

Viewpoint – The crofters have refused permission as they did not feel it would be of any benefit to the community or them and would limit their future development of the site.

Website – Gary Sutherland sent word that he felt that the website was a community service and as such that charging for advertising would be inappropriate.

Marina – This is now in place and well used – the feeling was that it would need to be extended to provide space for visiting yachts in the future.

Signs – GW has passed on the required info to Ian Moncrieff but as yet has had no response.

Picnic Site – The tables have been moved to the far end of the old market for painting. MO has painted the two tables at the existing site. GW will contact the High School to find out what stage the info board is and offer funding if required.

Old Market – Tony Usher says there is no money in the current budget to improve the exterior of the market.

Treasurer's Report – Alun Owen is preparing accounts to go to Gray & Butler.

AOB :-

Ronnie Lansley of CVS North will attend the next meeting to help us find a way ahead with the various groups and projects.

The Website needs to be publicised more as it is such a valuable resource and the more it is used the better it will be. Notices in the usual places?
